HUNTINGTON, INDIANA, JULY 10, 1927

Number 27

The Bishop's Weekly Chat With You.

My dear flock:
During the season of Lent I addressed the children and young people on the subject of religious vocations. At that time I said nothing about the Missionary Catechists, though their Motherhouse and Training School is in the Diocese of Fort Wayne. Since some of the girls who filled out vocation cards inquired about this Society I deem it advisable to speak to the people of my diocese on the work which the Missionary Catechists propose to do and are doing.

But at the outset let us remove the false impression entertained by some that the institution at Huntington is in any sense diocesan, or that it must be supported by the people of the Diocese of Fort Wayne. The initial offering for the building of the beautiful Motherhouse at Victory-Noll was made by a Californian, who is extremely interested in missionary work among the Spanish-American people in New Mexico and among the Mexicans who have more recently come into our country, and of whom there are hundreds of thousands along the southwest boundary line of the United States. The balance of the cost is sustained by OUR SUNDAY VISITOR, although readers throughout the United States have probably contributed \$50,000 towards its erection.

While we have a standing notice that offerings are welcome towards the payment of the balance of the debt, it is not directed to the Catholics of the Diocese of Fort Wayne. This notice appears in the national edition of OUR SUNDAY VISITOR, and is kept there because the California gentleman referred to has offered to give \$10,000 more if readers of O. S. V. give \$90,000.

The Missionary Catechist movement is a national Home Mission movement, and the Bishop of this diocese would not think of appealing to his people for any support of Victory-Noll, though he is glad to report that many priests of the diocese together with their people have, on their own initiative, taken a deep interest in the work of the Missionary Catechists, not because the Motherhouse is located in this diocese, but because they heartily believe in the cause which it fosters.

The Society itself is for young women between the ages of eighteen and thirty who, while craving an opportunity to promote their own personal sanctification, would like to work as instructors of the least of Christ's brethren, the poor children and their parents of Mexican or Spanish origin who exist in large numbers in the states of Texas, Arizona, New Mexico, Colorado, California, and who, because of a scarcity of priests and religious workers generally, have been neglected up to this time.

The Mexicans have been invading the central west and even the north during the past couple of years, and in our own diocese we have 3,000 Mexicans (and 2,000 Spaniards) in the city of Gary, and about 5,000 Mexicans in Indiana Harbor. There is a priest in charge of these people in both these places, and the people fill their churches at two Masses.

In the city of Los Angeles there are about 80,000 Mexicans. In the state of Colorado there are nearly 60,000. The cities of San Antonio, El Paso, Corpus Christi, and others of the southwest are predominantly Mexican. At this time nearly all the Bishops of Mexico, numerous priests, and hundreds of nuns who have been driven away from their mother country are exiles in our land, and are being given hospitality, and are mostly in the cities just mentioned.

Though the Society of Missionary Catechists is only a few years old there are more than fifty Catechists in the Training School at Huntington, five or six at Gary, working among the Mexicans there, and about fifteen in the state of New Mexico. Every Bishop who has Mexicans to deal with, and many who have no Mexicans, but want such workers as the Catechist School provides, are begging for them.

Scores of circles throughout the United States will be represented, with delegates also in attendance from the Dominion of Canada.

Elaborate preparations are being made for the reception and entertainment of the visitors and these plans were furthered at the July business meeting of the circle held last Tuesday night at the Community Center auditorium. At this time the various committees were announced.

Missions Aid Aviator

Rome.—It was revealed, for the first time, that Catholic missions lent valuable aid to the famous Italian aviator, De Pinedo, on his tour of four continents, when De Pinedo was received in audience by Pope Pius XI.

The Italian ace, who will be well remembered in America, since he flew across half that country and suffered a serious setback there when his plane was burned, was accorded special regard by the Holy Father, who talked with him three quarters of an hour, asked him many questions and congratulated him warmly on his successful and epochal flight.

Replying, De Pinedo said that he brought to the Pope messages of homage from numerous Catholic missions which he had visited on his extended flight. He told the Pope that, everywhere, missionaries had accorded him a splendid welcome and had lent him valuable aid. For this, he said, he was deeply grateful.

Paris.—Magr. Leynaud, Archbishop of Algiers, while on a recent pastoral visit to the village of Isserville, in Kabylie, was approached by a young Musselman girl, of 17 years, who asked for baptism. She told how, every day, after her work was finished, she had studied her catechism. Wondering if she could have instructed herself sufficiently, the Archbishop asked her several questions. She made very good answers. Magr. Leynaud then granted her request and the girl was allowed at once to receive Baptism, Communion and Confirmation.

Among the important actions taken were: Passing of a resolution requesting that every Catholic college establish a separate department for the study of religion, and that a professor be named to devote his entire time to this department; decision to create an honor society for students of Catholic women's colleges; urging of a wider study of classics; requesting of an apostleship of good books and clean reading; championing of the rights of parents in the educational field, and commending of all efforts to raise the standards of Catholic education.

INVESTITURE OF MONSIGNOR OSADNIK AUSPICIOUS EVENT

The Rt. Rev. Bishop Conducts Impressive Ceremonial Rite at St. Adalbert's.

Sunday, July 3, marked a date of two-fold significance in the annals of St. Adalbert's church parish, South Bend—the investiture of the pastor, Rt. Rev. John W. Osadnik as Monsignor and the celebration of his silver sacerdotal jubilee as a priest.

Attended by a large number of visiting and local clergy, members of St. Adalbert's and other South Bend parishes, the solemn jubilee Mass, following the investiture by the Rt. Rev. Bishop, took place at 10:30.

Assisting the celebrant, Magr. Osadnik, were two South Bend pastors, the Rev. R. Marciniak, C. S. C., of St. Stanislaus' church as deacon and the Rev. S. Gorka, C. S. C., of St. Casimir's, as sub-deacon. The Rev. P. A. Kahalek, of Gary, was deacon of the Mass. The Very Rev. F. J. Jansen, dean of the South Bend district and pastor of St. Vincent's, Elkhart, served as assistant priest to the Bishop. Deacons to the bishop included the Rev. Julius Skrzypinski of East Chicago. The Rev. John E. Dillon, diocesan chancellor, acted as Master of Ceremonies. The sermon for the occasion was delivered by the Rev. Dr. Misicki, of Williamsport, Pa.

The brief, conferring the papal honors upon the jubilarian was read in Latin, Polish and English by the Rev. John Hosinski of Fort Wayne. Special music was rendered by the

choir under the direction of Miss Bernice Klug, organist and Prof. Frank Sapajer.

Solemn vespers in the afternoon at 2:30 concluded the religious solemnities. The Rt. Rev. Magr. Osadnik, celebrant, was assisted by two sons of the parish, the Rev. Michael Gadacz of Gary as deacon and the Rev. Louis Ratajski as sub-deacon.

The jubilee celebration culminated with an evening banquet served at the Knights of Columbus home. Speakers for the occasion included the Rt. Rev. Bishop; the Rev. S. Grusa, C. S. C., pastor of St. Hedwig's; the Rev. John Hosinski, of Fort Wayne, who spoke in English and Polish, and Stanley Kolkiewicz. Brief talks were also given by representatives of the various church societies of St. Adalbert's parish. Other numbers featuring the most praiseworthy program included vocal offerings by St. Cecilia's choir. John Olewicki presided as toastmaster. Music for the affair was furnished by Pravat's orchestra.

The following Wednesday, July 6, the school children of the parish and the Dramatic Circle contributed their part toward the jubilee celebration with a play entitled "Council Daughters." The drama was presented at St. Hedwig's hall and attended by a capacity house. Music was furnished by the Pravat orchestra.

—Registration at the Creighton University Summer Session closed with a record enrollment of 900. —The Stonyhurst War Record, just published, shows that the first member of the British Army to win the Victoria Cross in the World War was Lieutenant Maurice Dease, only son of Mr. and Mrs. Edmund Dease, of Lexington, Mullingar, Ireland, a Catholic.

—F. P. Kenkel, of St. Louis, director of the Central Bureau of the Central Verein, and Bishop Joseph Schrembs of Cleveland, were speakers at the annual convention of the Catholic Union of Ohio and the Ohio branch

of the National Catholic Women's Union which ended recently.

—Martial Maassiani, Paris correspondent of the N. C. W. C. News Service, was elected secretary of the Catholic Union of French Journalists at the general meeting of the organization.

—Roy Gordon, alias Maurice de Latour, arrested last week in Indianapolis for firing three Catholic churches, in as many days, and held on a charge of arson, is none other than Roy M. Allen, alias Maurice de Latour, who was found guilty of the same offense in Savannah, Ga., four years ago, according to police authorities there. When apprehended there, as in Indianapolis, de Latour, which according to the firebug is his correct name, confessed, and was sentenced to serve several years in the penitentiary.

Six Hundred English Catholics Maintain New \$40,000 School

London.—Though they number only 600, the Catholics of Tamworth have undertaken to find \$40,000 for a new school opened this week by Bishop Barrett. The school is one of the most modern in the country, and has received special commendation from the Board of Education.

Confesses Firing of 3 Indianapolis Churches to Rob

Indianapolis.—Ray Gordon, held here on a charge of arson following fires at three Catholic churches in the last three days, confessed in writing that he committed all three crimes, according to Indianapolis police. Furthermore, he said his real name is Maurice de La Tour.

His object, La Tour said in the confession, was to rob neighboring houses and churches, while attention was attracted to the burning churches. Claude Worley, chief of detectives, says the man also told him that he had in this way obtained several watches and other pieces of jewelry.

Gordon was taken into custody by Motor Policeman William Miller following a fire at the new St. Joan of Arc Catholic church, and is being held at the city prison by Chief Claude Johnson under high bond. Due to the fact that a list of the Catholic and Protestant churches was found in Gordon's pocket, with a mark opposite the name of St. Patrick's church, it is believed that the fire at St. Patrick's Monday that did damage to the extent of over \$75,000 was due to his activities. He is also held for the fire of incendiary origin that did small damage to the Our Lady of Lourdes church Tuesday.

Gordon was caught after persons living in the vicinity of St. Joan of Arc church had given the police a description of the man they saw running from the side door of the building just before the fire was noticed. He was taken by the police on board a street car at Thirty-sixth and Pennsylvania and was identified as the man seen leaving the church when the police returned to the church and interviewed witnesses. One of these, Mrs. Edward Kilrain, said that the man was seen by her to enter the church about an hour before the fire and at that time was carrying a yellow paper in his hand.

It is thought relevant that each of the three fires that have taken place on three successive days here had their origin in the sacristies. The Rev. Maurice F. O'Connor, pastor of St. Joan of Arc, entered the burning building and carried out the Blessed Sacrament. Firemen said that the fire, like the big one at St. Patrick's Monday, apparently had been started in four or five different places, especially around the altar. The poor box was found to have been robbed. The fire damage at St. Joan's was \$500, at St. Patrick's \$75,000 or more, while that of Our Lady of Lourdes was very small, the fire having been successfully checked before it gained headway. Chief Jesse Hutsell, who interviewed Gordon, said that he believed the man was under the influence of some kind of dope. Gordon said he was a Catholic and a member of St. Patrick's church in New York City. He claimed that he was passing through the city en route to Chicago and gave an address at the Hotel Edwards here, but on investigation it was found that no one of that name registered at the hotel.

St. Patrick's church was the oldest Catholic church standing in Indianapolis. It was erected in 1870. The loss by fire was estimated to be \$75,000. It was covered by insurance to the extent of \$41,500. St. Patrick's was at one time in charge of the late Rt. Rev. Denis O'Donoghue, who died over a year ago in Louisville, Ky., where he was transferred when he was consecrated Bishop in 1910. Rev. Joseph Barrett Tieman, assistant pastor, rescued the Blessed Sacrament, and with the assistance of Rev. John P. O'Connell, pastor, saved the sacred vessels and vestments. No plans have been made for the erection of a new church.

Noted Stage Folk Head Catholic Actors' Guild

New York.—Frank McGlynn was elected president and Margaret Anglin first vice-president of the Catholic Actors' Guild at its final meeting of the season, just held at the Casino Theater.

The meeting closed the thirteenth year of the Guild's existence, and the most active and successful since it was founded. The financial statement was so encouraging that resolutions of congratulations were voted the retiring president, Brandon Tynan. Pedro de Cordoba acted as temporary chairman for the election.

A scene from "The Desert Song," adopted as the Guild's play for the month of June, closed the meeting. Charlotte Lansing and Alexander Gray sang the leading roles, and John Carroll, baritone, was presented.

In recognition of her faithful labors for the Missions, Pope Pius has conferred upon Miss Ethel G. Brady, office manager at the national office of the Society for the Propagation of the Faith, 109 East 88th Street, the papal Cross Pro Ecclesia Pontificia. The presentation was made by the Rt. Rev. Magr. William Quinn, national director of the Society in the United States.

Music was supplied by Holy Angels' Choir, assisted by several members of the Paulist Choir of Chicago and a Symphony Orchestra, under the direction of Prof. Leo A. Nickisch. This most beautiful ceremony will be long remembered by the Foresters.

The Convention was officially called to order at 10:00 o'clock Tuesday morning. Tuesday evening a large class of candidates was initiated. During these ceremonies four of Gary's most prominent Foresters were enrolled into the Legion of Honor by State Chief Ranger John A. Herzog. Those honored were Michael Muldoon, August Dusek, Leo P. Sullivan and John E. Monahan.

Following the initiation the Foresters and ladies were entertained by a dance in the ball-room of the temple.

At 1:30 Wednesday afternoon all Foresters and ladies enjoyed a sight seeing trip through the Gary Steel Mill. Wednesday evening the Foresters were guests at a stag supper and entertainment while the ladies attended a card party.

Thursday morning the Convention reconvened and selected Indianapolis as the Convention city for 1930. Following final reports of committees the convention came to a close.

At noon Foresters and Ladies were guests at an "Auld Lang Syne Luncheon" at Lake Front Park Pavilion. The success of the Convention is largely due to the untiring efforts of the Convention Committee of the Gary Chapter Catholic Order of Foresters.

Boys Building London Church

London.—Small boys and men parishioners, working under the direction of their pastor, are helping to build the new Church of Our Lady Immaculate in the Limehouse parish here, the foundation-stone of which was laid this week by Cardinal Bourne. A professional architect drew the plans for the church, but Father Higley is acting as clerk of the works, overseer and foreman.

A tree standing at the back of the houses will be pulled down and some of the wood used to make church furniture.

Father Higley has a wonderful record of service. He has never been absent from his Limehouse church on a Sunday for over forty-one years.

Prince Loewenstein To Join Jesuits

By Rev. Dr. Wilhelm Baron von Capitains

Cologne.—Prince Felix of Loewenstein at Heubach, near Miltenberg, younger brother of Prince Aloys of Loewenstein, president of the General Catholic Assembly, is to enter the Society of Jesus.

The Duke of Loewenstein, father of the prince, entered the Order of Preachers at Venlo in Holland and was ordained there at the age of 73 years. He died three years ago at the age of 80 and was given a simple burial at Klein-Heubach. Before entering the religious life the Duke was a Catholic lay leader.

Subsidy to Priest For Excavations

Paris.—The Academy of Inscriptions and Belles Lettres has voted a subsidy of 30,000 francs for excavations directed by Father Poidebard, of the Society of Jesus, at Tell Arban, in Mesopotamia.

It was Father Poidebard who used an airplane to locate certain places and to recognize certain traces on the desert.

A score of seminarians were raised to the priesthood at the headquarters of the Catholic Foreign Mission Society of America here last Sunday. One Maryknoll seminarian was ordained a priest last month, in Rome. This year's ordinations bring the total of Maryknoll priests up to one hundred.

First Solemn Mass of the Rev. Alfred Reinig.

On Thursday, June 16th, the beautiful feast of Corpus Christi, the Rev. Alfred W. Reinig celebrated his first Solemn High Mass in St. Michael's church, Waterloo, Ind. Although friends and relatives from far and near came to participate in the celebration, nevertheless it was also with feelings of joy and the realization of a very happy event that the people of St. Michael's parish assembled to witness this first Solemn Mass of the fourth son that the parish has given to the priesthood.

The procession from the rectory to the church constituted the initial ceremony of the day. The Mass immediately followed. The ministers

HEARTLESS MAN

"Daddy," said the weeping little daughter, "a naughty man broke my new sled with his automobile." "Did he?" cried her father, jumping up. "Where is he?" "Oh, you'll easily catch him, daddy," said the little one. "Two men just carried him into a drugstore."—The Catholic Outlook, Duluth, Minn.

The Best Security for Your Money

The Diocese of Fort Wayne is only 10% in debt. In other words, the parishes, in the aggregate, are 90% out of debt.

Hence why not invest your money with the Bishop for the benefit of parishes in debt? Besides the property which becomes obligated by receiving your loan, the Bishop, who holds all the church property of the Diocese as Trustee, will endorse the note guaranteeing full return of principal and fair interest, payable semi-annually.

Write to the Bishop if you have money to loan. He can borrow from banks all the money needed to take up existing loans, but he wants a little lower rate of interest for parishes.
